Sir,

Reference :— Govt Proceedings No. 7L 167-8/G782-03 dated the 9th July 1904, sanctioning the Budget Estimates for 1904-05 with certain alterations.—

2. Under para 5 of the Proceedings quoted above, the provision of Rs 3600 for Inspectors

of Coffee trade has been reduced to Rs 2520.
In this connection I have to state that a
mistake appears to have arisen from two
divergent Government Proceedings in the matter,
viz (1) Proceedings No 4371-2/471 dated the 28th Flag X
September 1896 and (2) No 13497-8/J 1656 dated 29th Flag W
May 1899. In the first one it is distinctly
stated that there should be one European
Coffee Inspector on Rs 150-10-200 and two
on Rs 100-10-150 each for the three Malnad
Talukas of Manjarabad, Mudigere and Koppa;
while in the second sanction is tentatively
given to the appointments of three Inspectors
on Rs 100, 80 and 70 each with a horse allow-
ance of Rs 20 and Coffee allowance of Rs 50
for these same three Malnad appointments.

3. In consequence of these somewhat
divergent orders confusion has arisen as to
the actual appointments. In the case of
Inspector C. Narayana Rao, he has been given

Flag V under Government Notification No. 597-8 dated 10th September 1903 a Coffee Inspectrs grade on Rs 100-10-150 referred to in the 1st Proceedings and in the case of Mahmed Jaffer Makori he has been given under

Flag U Govt Proceedings No. 1628-9 dated the 16th April 1903 a Coffee Inspectrs grade on Rs 100+50+20 referred to in the second Proceedings.

4. Inspector Narayana Rao having been on leave and Mr Wilkinson, Inspector of the Mudgere Taluk on other duty, the three Coffee Taluks are in fact in charge of Inspectors who according to the second proceedings mentioned in para 2 above are entitled to draw the Mahnad allowance of Rs 50 each.

5. As it is not possible to always to appoint qualified Europeans or Eurasian Inspectors to these Coffee Taluks, I would suggest

regret that any Inspector of whatever
rade, who is appointed to any one of these
ee Talukas may be granted the Malnad
llowance of Rs 50 a month with the horse
llowance of Rs 20. This will simplify
ters greatly and will leave the Inspector
neral free to appoint any Inspector to
ee Talukas whom he thinks fit for the
pointment.

From,

F. E. C. Carr, Esquire,
Inspector General of Police

To,

B. K. Venkatavardaiengar, Esquire,
Secretary to the Government of
His Highness the Maharaja of Mysore
in the General and Revenue Departments.

Sir,

I have the honor to again call attention of the Government to the question of Coffee Inspectors of the -- three Taluks of Manjarabad, Mudgere and Koppa, which was - fully dealt with in my letter to Government, No: 678/68 - dated 3rd instant.

2. The difficulty I anticipated then has now arisen in that Mr. Wilkinson, 1st grade Coffee Inspector on ---- Rs 200+20 who has been acting as Assistant Superintendent, French Rocks, has to revert. The consequence of this is that if he is posted, as I wish to do, to Mudgere, he will be unable to draw the Coffee allowance which is given to all other Inspectors on less pay. He naturally will consider this as a very great hardship, and it seems to me a very anamolous arrangement that because a man is a senior Inspector, he should not be allowed to draw the malnaad -

allowance

allowance that junior Inspectors would be given.

3. In para 5 of my letter under reference, I have proposed that an Inspector of whatever grade who is appointed to any one of the three malnaad Taluks may be granted the allowance of Rs 50/- a month with Horse Allowance of Rs 20/-.

4. Mr. Wilkinson is the senior Inspector in the gradation list, and has performed his duties as acting Assistant Superintendent, French Rocks, during the last 7 months, in a satisfactory manner. I think it only fair that he should be given malnaad -- allowance as in the case of all other Officers of Government --- serving in the malnaad, whether as Deputy Commissioners, Sub-Divi-sion Officers, Amildars &c.

5. Again as Mr. Wilkinson is an Inspector of the Coffee tracts, he is under the existing orders precluded from being --- transferred to any other Taluk. Added to this, if he is not even granted the malnaad allowance of Rs 50/- it will certainly be a great hardship to him, and also a matter of extreme difficulty to secure for the most important Coffee Taluks the services of ---- satisfactory Inspectors.

6. Under these circumstances, I request that you will be good as to move the Government to pass early orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.

referred to above and bringing to the notice of Government the case of Mr. Wilkinson who has had to revert to his appointment of 1st grade Coffee Inspector from the post of acting Asstt Superintendent of French Rocks.

Order thereon. No $\frac{755-6}{759-3}$ J.

In Government Proceedings No $\frac{4371-2}{J471}$ dated the 28th September 1896, the appointments of three European Inspectors were sanctioned for the Coffee taluks of Manjarabad, Mudgere and Koppa. Their pay as shown in the margin was fixed with due regard to the local requirements and consequently no provision was made to give them any local allowance. Subsequently, on the representation of the Inspector General of Police, the Government ordered in their Proceedings No $\frac{13497-8}{J1656}$ dated the 29th May 1899, as a tentative measure until competent and ~~qualified~~

Europeans could be selected and appoin
to the said three posts that Inspectors on Rs 7
80 and 100, might without regard to nationalit
might be appointed for the three taluks
referred to with a malnad allowance
of Rs 50, each. The Inspector General,
~~2. The Inspector General~~, in mak
proposing that Inspectors appointed to the
special offices created for the Coffee
taluks under the order of the 28th
September 1896, should be allowed the
malnad allowance of Rs 50 sanctioned
in the order of the 29th May 1899 in the
case of other officers posted to those Taluk
observes that it would be a great hard
ship and an anamalous arrangement
that a senior Inspector should not be
allowed, because of his seniority, to dra
the malnad allowance which junior
Inspectors are given, and that it would
be a matter of extreme difficulty to
secure the services of satisfactory Inspec
for the malnad Taluks if the malnad
allowance was not granted. He
further observes that the two orders
referred to are divergent and have
caused confusion in making nomina
-tions.

2 3. The Government observe that

ntingencies: namely the one of competent men ing found to fill the posts with special laries attached to them in view to the local equirements; and the other of such men not forthcoming. Hence the analogy Senior and junior officers posted to e same place does not apply.

The Insp.r Generals difficulty in giving effect to either of these orders not clear. If European Inspectors contemplated in the order of the 28th eptember 1896 cannot be got, others ccording to the scale prescribed in e order of the 29th May 1899 may e appointed with a malvad allow- nce of Rs 50 each. To give simultaneous effect to both the orders by employing one other de, the Inspector General should see that the special Inspectors who have been ppointed under the order of the 28th eptember 1896 and posting to the mal- ad Talukas for which they were in- tended by reason of the scale of- ry allowed to them & for to post them to non-malvad talukas and to appoint other and less paid Inspectors with pay & allowances x these three Talukas according to the ale laid down in the order of the 29th May 1899, is not only irregular, but will entail unnecessary extra

made to work in their proper Taluks and when it is found that necessitating the expenditure on Government by grant to the latter. The existing grant of an allowance of Rs 50 ~~as Salary~~ to Inspr appointed under the order of 1896 should therefore be ~~based thereon~~ of the order of 1896 cannot be given effect to, the scale prescribed thereunder may be abolished and appointments made according to the order of the 29th May 1899.

4. In these circumstances the Government of His Highness the Maharaja are not prepared to sanction the grant of an allowance of Rs 50 to those officers who draw their pay according to the orders of the 28th September 1896 and they hope that if the Inspector General acts on the lines indicated above the difficulties and confusion referred to by him will be obviated.
